Important Information — Please read

What is Certification Manager/I7?
With Certification Manager/I7 (www.certmanager.net/citrix), you can view your progress toward certification, view exam and eLearning history, update your contact information to ensure receipt of certificates, and forward your validated certification credentials to a third party.
When will my results be posted to Certification Manager/I7?
It can take up to 4 business days for your result to be displayed in Certification Manager/I7. If the results have not posted to your Candidate History in Certification Manager/I7 after 4 business days, please contact training@citrix.com.
When will I receive my Certificate?
Once you have attained certification, your certificate will be sent to the address we have on file and printed with the spelling of your name as listed in Certification Manager/I7. It is important to keep your personal information current. Please allow 2 - 4 weeks for delivery within the United States and 6 - 8 weeks internationally.
How do I associate myself to my Citrix Partner?
If you work for a Citrix Partner, please log into Certification Manager/I7, click the "Select the Citrix Partner for which you work" link under the General Information section and select your company. This will ensure that your company is credited with your certification status after you have taken an exam.

This exam was delivered at an authorised Pearson VUE Testing Centre. Thank you for choosing Pearson VUE!
You can authenticate this score report using PEARSON VUE's Digital Embosser!
To maintain the integrity of this testing program and the value of your certification, PEARSON VUE utilizes Digital Embossing.
Digital Embossing eliminates the possibility of unauthorized embossing of counterfeit score reports.
